Dear Mr. Yates,

We certainly do appreciate the gospel music programs headed by Bro. Bob Lewis. Also, we appreciate your re-instating the hour, from three Pm to four PM each afternoon, weekdays!

Usually during the week we keep our radio station tuned to 1340 AM all day. I depend on it for the state and local news, obituaries, etc., also. Above all we enjoy the gospel music, and all the DJ's Bro. Bob has working with him. the show is a credit to our community, because not many towns has such a program each weekday!

We try to encourage as many of our friends and acquaintances as possible to enjoy it also.

Thanks again, Mr. Yates.

Sincerely,

Charles & Nell Dominy

re: thanks, thanks, thanks!!!

Thank you so much for giving such a great party last Friday night! Y'all did a superb job of putting it together and the reward was seeing all of those people having such a wonderful time. I can't remember when I've enjoyed an event so much, and I'm hearing the same thing all over town.

You certainly gave a gift to the Blueberry Festival this year and I personally want to thank you for that. By Friday evening, chamber staff and the chairman were feeling very blue (and black & blue). The Sock Hop and its success gave us the fortitude to face the rest of the weekend and I appreciate that gift more than I can say.

On behalf of the Blueberry Festival, The Chamber, and the whole city of Nacogdoches, thank you for working so hard to bring us an event that was huge fun and a great success! We appreciate all of your efforts and time in bringing it off. We are ready to do it again whenever y'all are!

PS: I would like to send Mike Harvey my personal thanks also. Please send me an address, email, or fax number as soon as you have time. Thanks!

Dear Stephen,

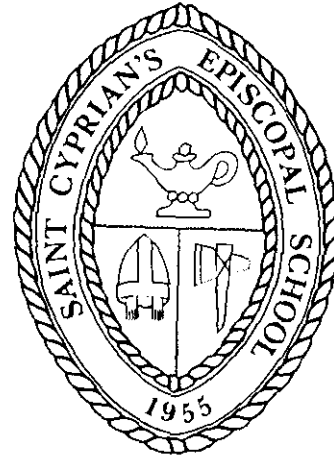

On behalf of the 2001 Provisional Class of the Junior League of Lufkin, we would like to thank you for supporting our "Tools for Schools" Backpack Drive. The Drive was a tremendous success!

Because of Yates Broadcasting's involvement, we were able to distribute 215 backpacks to our area schools, directly into the hands of the children that need them most. Each school received about 11 backpacks.

As you know, our goal was to provide as many new or "lightly used" backpacks to the elementary schools as possible. Again, with your support we have met that goal and have continued the Junior League of Lufkin's tradition of supporting the children in our community.

Sincerely,

SAINT CYPRIAN'S EPISCOPAL SCHOOL

October 31, 2000

Dear Stephen and Karla,

Thank you so very much for all you did for St. Cyprian's School during Red Ribbon Week. The cookies and punch you provided for the street dance were absolutely delicious - anything from the Texas Baking Company is always a treat. The live remote with Dave Michaels was so EXCITING! We have received such positive feedback and having a live remote made this year's street dance the best we've ever had. We feel so lucky to have been "adopted" by Yates Broadcasting and are grateful and thankful you're part of St. Cyprian's team.

Sincerely, Allison Langsti

Dear Stephen Yates:

I would like to take this opportunity to thank you for your generous donation of a "radio remote" in support of our annual "Bowl For Kids Sake" campaign. With your help, our community was fully informed about our event and they raised over \$23,000 in pledges and sponsorships to serve the children in our community.

It is through the benevolence of persons such as yourself that we can continue service to the many children in Nacogdoches and Angelina County. It is rewarding to know that our community supports us as we match positive role models with children who desperately need a friend. You are to be commended for your vision on mentoring and the support you have provided to our agency.

Big Brothers Big Sisters is a non-profit, 501 © (3) organization that operates solely on donations from community sponsors and the United Way. Without contributions from the community many children in Nacogdoches and Angelina County would be left to grow up "without" adequate guidance and support. It is with your help that we are able to reach out and service more children in the community. It is only by working together that we can make a difference in the lives of our children.

Our IRS identification number is 74-1148915. Please use this letter as your receipt for tax purposes.

Dear Mrs. Yates,

Thanks so much for allowing Bill Crow to do the Sat. morning show! We really enjoy it, as we are in our late years and enjoy the type of music he plays. Of course we always listen to the weekday afternoon programs too, when we're able, over 1340 AM Radio.

Whenever we've been out of town we always start trying to tune him in when we think we're in range!

Also, we're so happy that Bro. Bob Lewis is now able to do the Sunday morning show; formerly we'd listened to Lanny Wilkerson at least part of the time. It is so good to be able to get that quality of southern gospel music here at home. When we head North, going to near Paris, Tx. there's a station in the Quitman/Mt. Vernon/ Mineola area that we are able to tune into.

Another thing! We appreciate all the helpers who work with Bro. Bob. They do a fine job, also.

Thanks so much for being there for us, and please keep up the good work!

Dear Karla and Stephen,

Your friends at St. Cyprian's School want to thank you for your generosity in supporting Bayou Bash 2003. 1800 auction booklets and invitations were mailed this week. Your auction item will no doubt enhance the offerings and add to the tremendous success of the evening. We are hoping on a sell out crowd that first Friday in April that will shop, bid, eat and enjoy to their heart's content. The students of St. Cyprian's are the beneficiaries of your kindness!

This festive community event is set for Friday, April 4th at 6:30 PM. We hope you will call and make a reservation to join us! (936) 632-1720. We have reserved tables (where our stellar volunteer waitpersons serve you) and general admission tickets (where you serve yourself from the fabulous Popeyes buffet). An added treat this year will be entertainment provided by Angelina College's Swinging Roadrunner Jazz Band. They should set the mood for some great fun down on the bayou!

Thank you again for donating 2 night stay at Schlitterbahn with eight entrance tickets to Bayou Bash. Your gift will add much to our auction and will help us raise funds to maintain and support our academic programs. This evening would not be possible without your support and without the tireless efforts of dozens of committed parents. This is a volunteer-driven fundraiser that allows us to have little to no overhead. The monies raised directly support our mission, which is to be a community of learners where students are challenged to achieve their highest academic, spiritual and physical potentials in a Christian setting.

Thank you again for your donation to our auction. Thanks to you, Bayou Bash 2003 will be the best ever!

Sincerely,

Lynne

Mr. Yates:

On behalf of the Nacogdoches Boys Youth Baseball Association (NBYBA), I thank you for the donation of airtime to help us promote our recently completed registration. Due in part to your contribution, our enrollment of children below eleven years old has increased by approximately seventy children over last year. Many of these kids have never played baseball before and we are excited about the opportunity to introduce them to this great game and the life lessons youth can learn from organized sports.

Thanks again,

Dear Mr. Yates,

Did you know that nationwide only **5%** of those eligible to donate blood actually do so? However, here in East Texas, **9%** of those eligible to donate are blood donors at The Blood Center – East Texas! Even though we have almost twice the percentage of blood donors here, it is still not enough. Every day, your fellow East Texans need blood and blood products for surgeries, cancer treatments and traumas. Thank you for your part in supplying volunteer donated blood for patients in need.

We appreciate you for helping us fulfill our mission – to partner with the community to save and sustain lives by providing a safe and adequate supply of blood, blood components and related services. We collected 12 units of blood to be separated into platelets, plasma and red blood cells to save or prolong the lives of 36 East Texas area patients.

Thank you again for your support of our regional blood center, and we look forward to working with you in the future. Please contact me if you have any questions or if we can do anything to help you.

Sincerely,
